

Version: 5.0

Revision date: 06/03/2025

Product Name: DAMASCENONE 93%

## **Section 1: Identification of the Substance/Mixture and of the Company**

### **Product identifier**

|                |                 |
|----------------|-----------------|
| Product Name   | DAMASCENONE 93% |
| Product Number | 772-3258 -93    |

### **Relevant identified use of the substance/mixture and uses advised against**

|                          |                             |
|--------------------------|-----------------------------|
| Use of Substance/Mixture | Flavor and fragrance agents |
|--------------------------|-----------------------------|

### **Details of supplier of the SDS**

|           |                                                                                |
|-----------|--------------------------------------------------------------------------------|
| Company   | O'Laughlin Corporation Limited                                                 |
| Address   | Suite 903, The Chinese Bank Building, 61-65 Des Voeux Road, Central, Hong Kong |
| Telephone | (852) 2527 1031                                                                |
| Fax       | (852) 2529 0231                                                                |
| Website   | www.olaughlinco.com                                                            |

### **Emergency telephone number**

(852) 2527 1031

## **Section 2: Hazards Identification**

### **Classification of the substance or mixture**

#### **Classification according to Regulation (EC) No 1272/2008**

Skin corrosion/irritation, Category 2, H315

Sensitisation – skin, Category 1, H317

Hazardous to the aquatic environment – chronic toxicity, Category 2, H411

### **Labelling elements**

#### **Labelling according to Regulation (EC) No 1272/2008**

### **Pictogram**

**Signal word**      **Warning**

### **Hazard Statement**

H315 - Causes skin irritation.

H317 - May cause an allergic skin reaction.

H411 - Toxic to aquatic life with long lasting effects.

### **Precautionary statement**

#### **Prevention**

P261 - Avoid breathing dust/ fume/ gas/ mist/ vapours/ spray.

P264 - Wash thoroughly after handling.

P272 - Contaminated work clothing should not be allowed out of the workplace.

P280 - Wear protective gloves/ protective clothing/ eye protection/ face protection.

P273 - Avoid release to the environment.

### **Response**

## Safety Data Sheet

Version: 5.0

Revision date: 06/03/2025

Product Name: DAMASCENONE 93%

P302, P352 – If on skin, wash with plenty of soap and water.

P321 - Use specific treatment/ cleansing agent if appropriate.

P313, P317, P332, P333 - If skin irritation or rash occurs, get medical advice/ attention.

P362, P364 - Take off contaminated clothing and wash it before reuse.

P363 - Wash contaminated clothing before reuse.

P391 - Collect spillage.

### Storage

P403 - Store in a well-ventilated place.

### Disposal

P501 - Dispose of contents/ container in accordance with local/ regional/ national/ international regulations.

**Hazards Not Otherwise Classified** No information available

**Supplemental Hazard Information** No information available

### Section 3: Composition/information on ingredients

| Substance Name | 4-(2,6,6-TRIMETHYL CYCLOHEXA-1,3-DIENYL)BUT-2-EN-4-ONE |
|----------------|--------------------------------------------------------|
| CAS Number     | 23696-85-7 / 23726-93-4                                |
| EC Number      | 245-833-2 / 245-844-2                                  |
| % (w/w)        | 100                                                    |

Remarks: The rest unspecified ingredients are impurities, and they are not hazard.

### Section 4: First Aid Measures

#### Description of first aid measures

**Skin contact** Wash off with soap and plenty of water. Consult a physician.

**Eye contact** Rinse thoroughly with plenty of water for at least 15 minutes and consult a physician.

**Ingestion** Never give anything by mouth to an unconscious person. Rinse mouth with water. Consult a physician.

**Inhalation** If breathed in, move person into fresh air. If not breathing, give artificial respiration. Consult a physician.

#### General information

Consult a physician. Show this safety data sheet to the doctor in attendance.

**Indication of any immediate medical and special treatment needed:** No information available.

### Section 5: Fire-fighting Measures

#### Flammable properties

Flash point > 110 °C

#### Firefighting

Suitable extinguishing media Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

Unsuitable extinguish media Do not use a solid water stream as it may scatter and spread fire.

#### Protective equipment and precautions for firefighters

Specific hazards during firefighting Carbon oxides.

## Safety Data Sheet

Version: 5.0

Revision date: 06/03/2025

Product Name: DAMASCENONE 93%

Specific protective equipment for firefighters

Firefighters must use standard protective equipment including flame retardant coat, helmet with face shield, gloves, rubber boots, and in enclosed spaces, SCBA. Structural firefighter's protective clothing will only provide limited protection. Wear self-contained breathing apparatus with a full-face piece operated in the positive pressure demand mode when fighting fires.

Specific methods

Use water spray to cool unopened containers

General fire hazards

Static charges generated by emptying package in or near flammable vapor may cause flash fire.

### **Section 6: Accidental Release Measures**

Personal precautions

Use personal protective equipment. Avoid breathing vapours, mist or gas. Ensure adequate ventilation. Evacuate personnel to safe areas. For personal protection see section 8.

Environmental precautions

Do not let product enter drains.

Methods for cleaning up

Soak up with inert absorbent material and dispose of as hazardous waste. Keep in suitable, closed containers for disposal.

### **Section 7: Handling and Storage**

Storage

Store in cool place. Keep container tightly closed in a dry and well-ventilated place. Containers which are opened must be carefully resealed and kept upright to prevent leakage. And store separately with oxidants.

Handling

Avoid contact with skin and eyes. Avoid inhalation of vapor or mist. Normal measures for preventive fire protection.

Specific end use(s)

No information available.

### **Section 8: Exposure Controls/Personal Protection**

Control parameters: Components with workplace control parameters.

Exposure controls

Appropriate engineering controls

Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and at the end of workday.

Personal protective equipment

Eye/face protection

Safety glasses with side-shields conforming to EN166 Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN 166(EU).

Hand protection

Type of gloves recommended: Butyl rubber. Minimum breakthrough time / gloves: 480 min. Minimum thickness / gloves 0.11 mm.

Body protection

Impervious clothing, the type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace.

Respiratory protection

Where risk assessment shows air-purifying respirators are appropriate use a full-face

Version: 5.0

Revision date: 06/03/2025

## Safety Data Sheet

Product Name: DAMASCENONE 93%

respirator with multi-purpose combination (US) or type ABEK (EN 14387) respirator cartridges as a backup to engineering controls. If the respirator is the sole means of protection, use a full-face supplied air respirator. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).

**Thermal hazards**

Wear suitable protective clothing to prevent heat.

**Environmental exposure controls**

Avoid discharge into the environment. According to local regulations, Federal and official regulations.

**Industrial hygiene:**

When using do not smoke. Keep away from food and drink. Always observe good personal hygiene measures, such as washing after handling the material and before eating, drinking, and/or smoking. Routinely wash work clothing and protective equipment to remove contaminants.

### **Section 9: Physical and Chemical Properties**

|                           |                                    |
|---------------------------|------------------------------------|
| Appearance                | Pale yellow to yellow clear liquid |
| Odor                      | Powerful, floral, fruity, rose     |
| Flash point               | > 110 °C                           |
| Specific Gravity          | 0.9440 - 0.9550 at 20 °C           |
| Refractive Index          | 1.5070 - 1.5140 at 20 °C           |
| Acid Value                | 1.0 mg KOH/g max.                  |
| Solubility (ies)          | Insoluble in water.                |
| Auto ignition temperature | No information available.          |
| Viscosity                 | No information available.          |

### **Section 10: Stability and Reactivity**

|                                    |                                                                                               |
|------------------------------------|-----------------------------------------------------------------------------------------------|
| Reactivity                         | Stable under normal temperatures and pressures.                                               |
| Chemical stability                 | Stable at room temperature in closed containers under normal storage and handling conditions. |
| Possibility of hazardous reactions | No hazardous reactions known.                                                                 |
| Conditions to avoid                | No information available.                                                                     |
| Incompatible materials             | Strong oxidizing agents, strong bases, mineral acids.                                         |
| Hazardous decomposition products   | No information available.                                                                     |

### **Section 11: Toxicological Information**

**Information on likely routes of exposure:**

|              |                           |
|--------------|---------------------------|
| Inhalation   | No information available. |
| Skin contact | No information available. |
| Eye contact  | No information available. |
| Ingestion    | No information available. |

**Information on toxicological effects:**

|                          |                           |
|--------------------------|---------------------------|
| Oral/Parenteral Toxicity | No information available. |
| Dermal Toxicity          | No information available. |

## Safety Data Sheet

Version: 5.0

Revision date: 06/03/2025

Product Name: DAMASCENONE 93%

**Germ cell mutagenicity**

No information available.

**Carcinogenicity**

**OSHA**

No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.

**IARC**

No information available.

**ACGIH**

No information available.

**NTP**

No information available.

**Reproductive toxicity**

No information available.

**TOST - single exposure**

No information available.

**TOST - repeated exposure**

No information available.

**Aspiration hazard**

No information available.

### Section 12: Ecological Information

**Eco toxicity**

Toxicity to fish: LC50 - zebra fish Danio rerio - 1.09 mg/L - 96 h.

Toxicity to aquatic invertebrates: EC50 - daphnids - 9 mg/L - 48 h.

Toxicity to algae: EC50 - algae - 8.3 mg/L - 72 h.

Toxicity to microorganisms: EC50 - activated sludge - 275 mg/L - 3 h.  
(Respiration rate).

**Persistence and degradability**

No information available.

**Bio accumulative potential**

No information available.

**Mobility in soil**

No information available.

**Results of PBT&vPvB assessment**

No information available.

**Other adverse effects**

No information available.

### Section 13: Disposal Considerations

**Disposal instructions**

Do not discharge into drains, water course or onto the ground. Do not allow this material to drain into sewers/water supplies. Do not contaminate ponds, waterways or ditches with chemical or used container. Dispose of contents/ container in accordance with local/regional/national/international regulations.

**Local disposal regulations**

Dispose in accordance with all applicable regulations.

**Hazardous water code**

No information available.

**Waste from residues/unused products**

Empty containers or liner may retain some product residues. This material and its container must be disposed of in a safe manner.

**Contaminated packaging**

Empty containers should be taken to an approved waste handling site for recycling or disposal. Since emptied containers may retain product residue, follow label warnings even after container is emptied

### Section 14: Transport Information

|               | ADN                                                              | ADR | RID | DOT BULK | DOT NON-BULK | IATA | IMDG |
